**From Principals Desk**

It gives me immense pleasure to present this CMP news letter for the session 2013-14. The newsletter showcases the talents in the field of art, culture and literature. CMP is such a programme that helps the blossoming of child's personality in all splendors and nurtures his creative instincts. I convey my best wishes to HM, teachers and students of primary section and appreciate their effort in bringing out the CMP newsletter.

**From HM's Desk**

It is a matter of great pride to publish this news letter under CMP. It is the platform to showcase the talents of budding writers, poets, painters, cartoonist etc. This newsletter reflects the activities of the vidyalaya of session 2013-14 which led to the holistic development of the primary children.
